

Washington, D. C., October 27, 1888.

Rev. Odoric Derenthal,

Keshena, Wis.

Rev. dear Sir:

In order to secure payment of the expenses incurred in the transportation of the Menemonee Indian boys taken by you to St. Joseph's Normal School, Rensselaer, Ind., it is necessary to have a Descriptive Statement of the boys. It should be in duplicate- be exact as to the boys' ages, and be signed by Agent Jennings.

Please attend to this matter at once, and send the Statement to Very Rev. Geo. L. Willard, Rensselaer, Ind., who will have the necessary physical examination and certificate made by the Physician of the School..

Very respectfully,

J. L. Higgins
Director.
